

PARTNER PROGRAMME · APRIL 2027

BRING YOUR SELECT TO THE NATIONAL GAMES

We organise the whole trip: the flight from your city, hotel, meals, two practice days with LZ coaches and a tournament in a full arena. You bring the players and offer the trip under your own name.

FROM TAKE-OFF TO TOUCH-DOWN

We can book the flights too: a group flight from your city to Prague and back, the airport transfer and all the logistics on the ground.

WE RUN EVERYTHING ON THE GROUND

Ice, coaches, friendly game, hotel, meals, team bus, accreditation. Your coach thinks about the line-up, not about dinner.

YOUR NAME ON THE TRIP

The trip goes out under your programme's name. We work with you only and never contact your families.
